

Pupil Personal Accident Insurance 2009/10

Option B - Specified Pupils Only

Every year an estimated 16,000 children receive hospital treatment following an accident in school, on the road or at home. In some cases children are left permanently disabled. For many parents, it will mean financial hardship with costly medical/dental expenses to be paid. As Ireland's leading schools insurer Allianz has developed a specific Pupil Personal Accident policy.

There are two options available. The first option provides for school activities and also includes direct travel to and from such activities, the cost per child is €5.00. The second option provides cover on a 24 hour basis for school activities, social, domestic and leisure activities (including holidays) and the cost for this cover is €8.00 per child.

Allianz offers Group Policies for Schools and can provide all Parents/Guardians with the opportunity to avail of the School Group Cover. A 20% discount off the standard rates indicated above is available when cover is arranged online. The School would like to ask you to remit an amount equivalent to the relevant standard premium and allow them retain an amount equivalent to the 20% discount as a contribution towards School funds. If however you are not happy to proceed on this basis please simply remit the amount shown less 20% to the School along with the attached application form. Please return to the School before 30th September 2009.
